

Privacy Policy

EU Data Protection Directive

We comply with the EU General Data Protection Regulation regarding the collection, use, and retention of personal data. accelerando certifies that it adheres to the requirements of notice, choice, onward transfer, security, data integrity, access and enforcement.

What information do we collect?

We collect information from you when you visit our web or fill out a form.

When ordering or registering on our site, as appropriate, you may be asked to enter your: Full Name and e-mail address. You may, however, visit our site anonymously.

What do we use your information for?

Any of the information we collect from you may be used in one of the following ways:

To personalise your experience

Your information helps us to better respond to your individual needs.

To improve customer service

Your information helps us to more effectively respond to your customer service requests and support needs.

To process transactions

Your information, whether public or private, will not be sold, exchanged, transferred, or given to any other company for any reason whatsoever, without your consent, other than for the express purpose of delivering the purchased product or service requested by the customer.

To send requested periodic newsletter emails

The email address you provide may be used to send you information and updates such as company news, updates, related product or service information, etc.

To administer a promotion, an event, survey or other site feature

Privacy Policy

How do we protect your information?

When you enter personal information, we apply a variety of security measures to maintain the safety of your personal information

Cookies?

We use cookies on our website to tell us, in general terms, how and when pages on our website are visited, what our users' technology preferences are and whether our website is functioning properly. Depending on their purpose, some cookies will only operate for the length of a single browsing session, whilst others have a longer life span to ensure that they fulfil their longer-term purposes (as explained in more detail below). Please note that, however long the cookies' active life may be, you can delete cookies.

In broad terms, we use analytical and technical cookies for analytical purposes - this helps us to improve and develop our website works and for usage preferences.

Third party cookies

These third party cookies are regulated by the privacy policies of the third parties. When you visit our website, you may receive cookies that are set by third parties such as Google, Wix, LinkedIn, Twitter, Facebook. We do not control the setting of these third-party cookies, but you may visit the websites listed below for more information about the use of cookies and how to manage them.

Host	Cookie-type	Privacy policy
Google	Technical	Google
Wix	Essential	Wix
